Celebration of Hope

2026 Sponsorship Opportunities

Join our cancer-fighting team!

The American Cancer Society's mission is simple – to save lives, and to end cancer as we know it, for everyone. We know that there is a critical need for access to prevention, screening and treatments to be equally available to everyone. Below are some highlights of how these events are supporting the American Cancer Society in Indiana:

- The American Cancer Society has been funding research right in our own backyard at the Harper Cancer Research Institute and at the University of Notre Dame for over 70 years with a lifetime total of \$6.67 million.
- In 2025, supporters at the Celebration of Hope events raised an astounding \$153,000 to support cancer research happening in ACS-funded facilities in Indiana. No single nongovernmental, not-for-profit organization in the us has invested more to find the causes and cures of cancer than ACS. In fact, we've helped make possible almost every major cancer research breakthrough since 1946.
- In 2024, supporters at the Celebration of Hope events raised an astounding \$146,900 to support the American Cancer Society's LION (Leadership in Oncology Navigation), a standardized trainingand credentialing program that helps patient navigators deliver essential nonclinical support to those fighting cancer. With these funds, cancer navigators all across Indiana will be able to be credentialed at no cost, assuring that equitable cancer care is available to everyone fighting cancer in our state and beyond.

2026 Signature Events

The Notre Dame Coaches vs. Cancer program is proud to have raised enough life-saving funds to be ranked in the top 5 in the nation when compared to other Division 1 Coaches vs. Cancer fundraising programs, and our Golf Classic continues to be ranked in the top 10 of all American Cancer Society golf events. Our lifetime total of funds raised by these events over \$6 million. ALL funds support local efforts and the life-saving mission of the American Cancer Society. And we are *not* stopping there.

Night of the Stars | Monday, July 20, 2026

Four Winds Casino Hotel – South Bend

This signature event honors extraordinary individuals who are making significant contributions to the fight against cancer. Guests will enjoy a delicious dinner, an open bar, silent and live auction, and a program that promises to inspire. This event continues to impress and be the premier kick-off event of the summer.

Coaches vs. Cancer Golf Classic | Tuesday, July 21, 2026

Warren Golf Course – University of Notre Dame

Our foursomes will have an unparalleled golf experience on the links, including exclusive shopping in the Warren Pro Shop, lunch and premium player giveaways. This event sells out every year.

We have sponsorship opportunities for everyone. We look forward to building a mutually-beneficial partnership with you.
